FOR IMMEDIATE RELEASE

MorehouseCowles Appoints Several New Representatives in US

Chino, CA - January 22, 2007 – MorehouseCowles—a single source provider of technology and equipment for material production, purification and dispersement processes—recently appointed three representatives as part of an ongoing effort to provide superior customer service.

CNX Distribution, Inc., George E. Missbach & Co., and Gerlach Industrial Sales, Inc., will represent MorehouseCowles' line of dispersers, dissolvers and media mills. “We searched for representatives with both experience and technical proficiency and these organizations met our needs,” stated Rocky Courtain, Sales Manager for MorehouseCowles, “We are excited about these recent appointments and expect it to have an immediate and positive impact on our customers.” MorehouseCowles will be represented by CNX Distribution in Texas, Oklahoma and Arkansas, by Missbach & Co. in Alabama, Tennessee, Georgia, South Carolina, North Carolina and Virginia, and by Gerlach Industrial Sales in Pennsylvania, Delaware, New Jersey, New York and Florida.

For more information regarding the new MorehouseCowles representatives, please visit www.morehousecowles.com.
